

# Sproughton Neighbourhood Plan

Dear Resident of Sproughton

A Neighbourhood Plan is being created by a group of residents (the Neighbourhood Plan Committee) working with the Parish Council. The plan will capture how we, as parishioners want to see our village & the wider parish develop. Once the Neighbourhood Plan has been completed & adopted Babergh District Council **must** take note of what it says when considering future development in a parish. It will also help protect the rural nature of the parish. The Neighbourhood Plan will link in to the Babergh Mid-Suffolk Joint Local Plan that you have been consulted on previously in 2017 & 2019.

**This survey is your chance to have your say.**

The survey is a critical part of creating the plan. The Plan will carry much more weight if we can demonstrate it is based on solid evidence from our community. We are distributing one paper copy of the questionnaire to each resident over 16 years of age – please take the time to complete it.

If you have any questions or require additional copies of the survey then please either email [sproughtonneighbourhoodplan@gmail.com](mailto:sproughtonneighbourhoodplan@gmail.com) or phone 07376 281547

[Your names are NOT shown on the survey & ALL ANSWERS ARE TREATED AS CONFIDENTIAL](#)

Once completed please:-

- a) Hand it into the community village shop
- b) Post in the Parish Council post box outside the Barley room (rear of the Tithe Barn)
- c) Hand deliver: collection points with designated Neighbourhood Post boxes
  - i. Oakdene, Burstall Lane, Sproughton, IP8 3DJ
  - ii. Riverbank House, 8 Barker Close, IP20DU
  - iii. Ring for collection: 07376 281547

## YOUR OPINION COUNTS

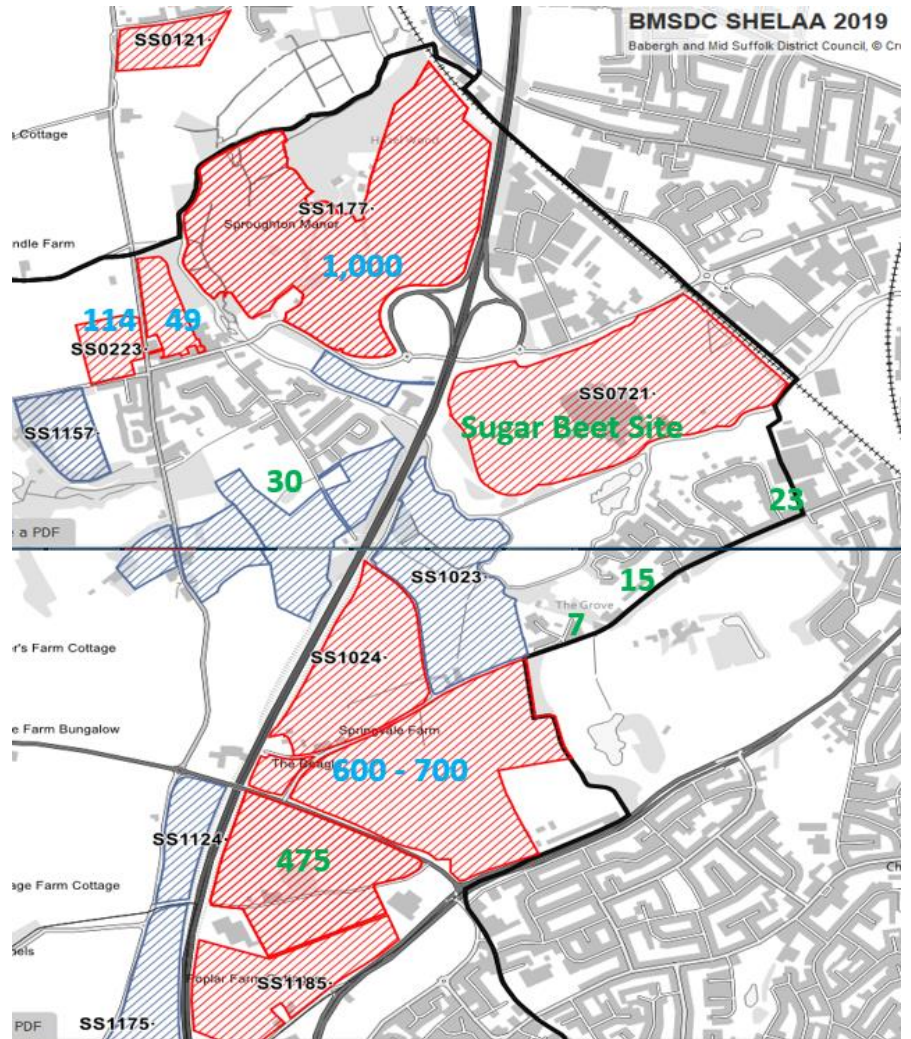

Please complete this Neighbourhood Plan Survey within two weeks of receiving it.

## PART 1 - YOUR VIEWS ON HOUSING DEVELOPMENT

The current number of homes in the parish is now 630, in 2011 there were 461 – an increase of 37%

A lot more housing is being planned (numbers in blue). The map shows all sites put forward for development in the parish. Blue sites have been excluded at this point, red sites are included.

Babergh District Council have already given permission for an additional 550 houses (numbers in green).

The draft Joint Local Plan states that a further 1,650 homes could be accommodated in the parish, this includes a site with a nominal 1,000 homes opposite the Millennium Green.

Overall a growth rate of 262%.

It is recognised that there is a national need for new homes – our parish is not exempt from this and we cannot and should not stop development. But we can influence the location, size & type of any new development in the parish so that we: –

- maintain the rural nature of the parish
- stop the parish merging with Ipswich & neighbouring villages
- maintain the general character and layout of the village;
- try to meet the needs of local people; and
- minimize the adverse impact on local infrastructure, facilities and other assets.
